

## Compassionate support, delivered with heart

[Client Name] is partnering with Health Advocate to give you access to personalized expert care and support to take control of your health and well-being. Their advocates will work one-on-one with you to guide you to the right resources and answer your questions, giving you peace of mind that you're on the right track. They're here for you for any issue, start to finish, every time. No issue is too complex.

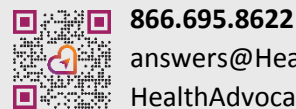

### Health Advocate can help you:

- Get answers to your **insurance questions**; resolve **claims and billing issues**
- Find in-network **doctors and specialists for your specific needs**; make appointments, and transfer medical records
- **Know your coverage**, deductibles, copays, and out-of-pocket costs
- Understand medical conditions and diagnoses; **feel confident that your medical care and treatment are on track**
- Explore the latest treatment options; **get second opinions**

### Your go-to resource, anytime, anywhere

Connecting with Health Advocate is easiest online or through the mobile app. You can quickly chat with an advocate, access tools and resources for better health, and learn all about your Health Advocate services and they
